

Hi Joe,

We would like to thank you and all the team at Zuccala Homes for another fantastic experience with building our home. As you may be aware, this is the second home we have built with Zuccala Homes and we are very impressed with the superb quality as well as our home being completed well ahead of schedule.

The entire experience has been very pleasant and seamless right from the beginning, with dealing with your professional sales team (Julie) who took the time to understand our needs as well as going out of her way to meet with us after hours.

The fantastic communication with your administration staff (Sam & Marcia) who were very prompt with answering all of our questions as well as keeping us in the loop with the progress of the construction and what to expect next.

A very special mention to your Building Supervisor Ross, who was always available to take our call, meet with us on site with short notice and was always willing to go the extra mile to ensure 100% customer satisfaction.

We have no hesitation to recommend Zuccala Homes to anyone considering building their home (as we have already done with our friends and family) and we are hoping to repeat this experience with Zuccala Homes with the construction of our third property in the near future.

Once again thank you and a job well done to you and your team.

Kindest Regards,

Daniel & Christine
